

## Rock My Boat

Chorus:

Rock my boat, oh baby don't rock my boat  
Rock my boat, oh baby don't rock my boat

All the faces smiling, on the silver screen  
Seduce your imagination, on the boulevard of dreams  
Some walking on water, others reading your mind  
But it's not real life, baby It'll leave you far behind

Repeat chorus

You're crying in the back seat, just waiting for the sun  
It's a drive-in situation, two lovers on the run  
But I ain't no James Dean honey And you ain't no Cher  
I'm gettin' that shakey feeling, yeah I got to beware

Repeat chorus

Round and round and round
