

Dance To the Sound

When your work is done, and the night's begun
The band comes around, so dance to the sound

Chorus:

Dance to the sound, turn the karma 'round
Dance to the sound, turn the karma 'round

Givin' it away, livin day by day
Good things will be found, so dance to the sound

Repeat Chorus

Dance to the sound, you gotta turn the beat around
Dance to the sound, you gotta turn the beat around
